The Prospect, Feb. 1985

CONCERNED ALUMNI OF PRINCETON

20 Nassau Street / Princeton, New Jersey 08542 / 609-924-8182

Dear Princeton Alumnus,

In an interview with the Daily Princetonian President Bowen said he hoped to see an end to the selective club system and deplored the all-male clubs.

Recently, Professor Lawrence Stone of the Faculty Committee on Admissions proposed that Princeton admit less alumni children each year. Currently alumni children comprise 14 percent of each entering class, compared with an 11 percent quota for Blacks and Hispanics.

Last Spring, Louis Pyle, director of Princeton's health center, celebrated the fact that 31 out of 33 pregnant students had abortions after receiving counselling from Princeton's sex clinic. Parents were not informed.

Princeton Chaplain Fred Borsch condones homosexuality as acceptable Christian behavior, and invited lesbian singer Holly Near to sing in the University Chapel. Princeton's Gay Alliance receives university funding and support.

We are very sorry to have to report it--but Princeton is no longer the university you knew it to be. President Bowen himself admitted that it would be unrecognizable to many alumni.

It is no longer safe for alumni to make unrestricted gifts to Princeton. You may be supporting Third World junkets or the teaching of Marxism in the classroom, or activities of which you would never approve.

Give by all means--but give to specific programs which you like. We suggest you give to the football teams. Give to the "Friends" groups. Give to the library. Give to a chair in Free Enterprise. Give to establish merit scholarships which are presently non-existent.

Also please make a substantial contribution to Concerned Alumni of Princeton. We are a loyal alumni group whose monthly magazine, Prospect, is the only independent source of news about Princeton. We help check the administration's liberal excesses. So a gift to CAP is a gift to Princeton which reinforces and maintains the Princeton traditions and loyalities most alumni cherish.

Sincerely,

David P. Condit
